Church Attendance and visiting : due to illness , the weather , other family commitments etc. those able to come to church on Sundays or Thursdays our attendance numbers have been all over the place. Please try and join us when you can , but do let the vicar or pastoral team know if visits are required. With the large variation in attendance figures each week it can be difficult to keep track and your help and support with this is greatly appreciated. If anyone is unable to attend church due to illness and would like communion at home and this will be arranged.
